210. M September 7, 2010

TO: All Prospective Offeror's

Subject: Changes to the Final Request for Proposal NNG10315881R for Ground Systems and Mission Operations (GSMO)

NASA appreciates the comments received in response to release of the final RFP. These comments resulted in improvements to both the quality and the content of the Final RFP since its release on August 13, 2010.

The following list identifies some areas where enhancements are being made to the Final RFP. These changes are currently being worked on with anticipation of release of all updated documents including the final RFP.

1. The following Exhibits are being revised to clarify Non-Management as Technical Non-Management and to remove those Labor Categories that are considered Administrative and/or Management.
  - **Exhibit #1A** – Government Pricing Model – Bid Rates
  - **Exhibit #1B**– Summary Government Pricing Model –Bid Rates
  - **Exhibit #2ASample** - Offeror to Government Contract Non-Management Direct Labor Conversion Using On-site Bid Rates
  - **Exhibit #2A** - Offeror to Government Contract Non-Management Direct Labor Conversion Using On-site Bid Rates (Prime)
  - **Exhibit #2B** - Offeror to Government Contract Non-Management Direct Labor Conversion Using Off-site Bid Rates (Subcontractor)
2. **Exhibit 4**, Source of Personnel Chart (previously RTO Source of Personnel Chart)
3. **Enclosure 6**, Incumbent Weighted Average Labor Rates
4. **Attachment C**, Direct Labor Rates, Indirect Rates, and Maximum Available Award Fee Matrices

It is our intent to extend the due date once we have posted the revised documents. If you have any questions regarding the changes to the RFP, please contact the undersigned via email at: [Kelly.D.Jonas@nasa.gov](mailto:Kelly.D.Jonas@nasa.gov). However, we ask that you wait to review the impending changes prior to submitting questions regarding them.

Thank you for your continued support. We look forward to receiving your proposals.
